Employee rewards are paid as PHP 15,000 via payroll for each new hire in the referral's first batch. Client rewards are a \$250 USD credit applied to their invoice for each new hire their referral makes within 12 months and a gift card if their referral attends a discovery call. P&P/CI members receive a PHP 5,000 bonus via payroll if they submit the referral on behalf of their client and that referral attends a discovery call.
